

A relaxing sauna and spa in your own garden

Saunum Classic sauna

If you're looking for a modern and minimalistic "plug-and-play" sauna housing for your backyard, Saunum Classic is just what you need. Blending classic stylings with gorgeous materials, functional Nordic design and the skilled work of Saunum's master craftsmen, a high-quality sauna experience is guaranteed.

Add in the Saunum Primary heater with its unique climate device, and your sauna will be transformed into a tranquil 5-in-1 home spa that delivers an unprecedented steam experience. When mixed with soft, oxygen-rich air, the steam becomes milder, making it much easier to breathe so you can simply relax as you enjoy the classic steam sauna experience or choose between a salt-ion sauna, a mild steam-rich sauna, a sanarium or an aroma sauna.
